new headway intermediate fourth edition
stop and check unit 5 8 mp3 Essential
Grammar in Use is a grammar reference
and practice book for elementary learners.
Modeled on Raymond Murphy`s highly
successful intermediate level English
Grammar in Use it concentrates on areas of
grammar normally taught at elementary
level. It provides clear grammar
explanations and lots of practice offered in
the form of exercises allowing learners to
take actions and test their understanding. It
is primarily intended for self-study but it
can also be used for classroom work.
